16. The contractor has to pay compensation to disabled workmen under him for any injury caused during the execution of this work, failing which, the amount will be deducted from the bills and paid to the injured.

17. Such of the tenders that stipulate uncalled for conditions of rates for changed specifications other than those for which rates are asked to be quoted are liable to be rejected outright without assigning any reason whatsoever and the Department will be bound only to the conditions in the schedule of contract agreements to be entered into with the accepted tenderer.

18. Tenders should be submitted in duplicate and if there are any differences in rates quoted in between the original and duplicate the lower of the two will be taken for consideration.

19. The successful tenderer should deposit 5 per cent of the estimated amount of the work as security in addition to the Earnest Money Deposit before the work order is issued failing which his contract will be cancelled and Earnest Money forfeited.

20. Request for the adjustment of security from work bills will not be considered.

H. S. NARAYANA SETTY,
571 *Ex. Engr.*

OFFICE OF THE EXECUTIVE ENGINEER, No. 7 TUNNEL DIVISION, CHANNAGIRI POST.

Notification dated 20th December 1956.

Sealed tenders in duplicate duly signed by the contractors will be received in the Office of the Executive Engineer, No. 7 Tunnel Division, Channagiri Post, up to 4 P.M. on 10th January 1957 for constructing the following work:—

Sl. No.	Name of work	Amount of estimate	Earnest money	Work to be completed by the end of	Monthly progress not less than
		Rs.	Rs.		Rs.
1	Constructing a Road bridge in 17/49th mile of B. R. R. B. Channel.	40,000	2,000	June 1957	8,000

1 Tenders in the prescribed form obtainable from the office of the Executive Engineer, No. 7 Tunnel Division, should be addressed to the Executive Engineer, No. 7 Tunnel Division, in sealed cover and superscribed as "Tender for constructing a Road bridge in 17/49th mile of B R.R.B. Channel". The name of tenderer should also be noted on the cover.

2 Each tender must be accompanied by a treasury challan for having deposited the required amount as noted above under 'Revenue Deposits'. No cheque will be accepted for earnest money. Requisitions for adjustments of any dues from the Government to the Contractor for earnest money will not be entertained.

3 The final acceptance of the tender will rest with the Executive Engineer, Superintending Engineer, Special Chief Engineer, as the case may be who does not bind himself to accept the lowest or any tender or to assign any reason whatsoever for the rejection, if any.

4 The successful tenderer should execute a contract agreement within a fortnight from the date of communication of approval to him.

5 The earnest money of the rejected tenders will be refunded on application, only after any of the tenders is received approved or two months after the receipts of tenders, if the tender of the successful contractor has not been received approval.

6 Copies of estimates and plans can be seen in the office of the Executive Engineer, No. 7. Tunnel Division, Hiremadalu, on all working days between 11 A.M. and 4 P.M.

7 Specific rates should be quoted both in figures and in words for each individual items of work. Tenders offering percentage reduction of increase will be rejected.

8 For all lumpsum items, only the minimum schedule of rates or data plus 10 per cent will be given if the rates do not appear in the schedule of rates.

9 All over writings and corrections while submiatting the tenders should be attested by the tenderer.

10 The quantities given in the estimate are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions, at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the estimate.

11 The contract should not be sublet.

12 The contractor should make his own arrangements for transportation of materials.

13 The contractor is responsible for all accidents to workmen etc., on the work and he must take precautions against all risks of accidents and if necessary, provide for the same by insurance at the proper time. The contractor should arrange for the payment of royalty, tolls, taxes, etc.

14 The sales tax and income tax clearance certificates should be furnished along with the tender.

15 Rates need not be quoted for all lumpsum items.

16 No conditional clause will be accepted.

17 Prescribed tender forms may be had at the office of the Executive Engineer, No. 7 Tunnel Division, Hiremadalu, Channagiri Post, on payment of Re. 0-8-0 per form.

18 If the monthly rate of progress falls short of minimum or if the work is not given to the Department in its full form within the stipulated period, the Executive Engineer will have the right to forfeit the earnest money and any loss to Government by way of entrusting the work to some other contractors will also be recovered.

19 If the contractor finds any doubt in rates provided in the estimates, the same may be got clarified then and there only, and no notice will be taken, after receipt of the tenders for the work.

20 Cement and Steel required will be supplied at the Division Stores and the centage recovered. No credit sales will be allowed.

M. BASAVARAJ URS,
566 *Ex. Engr.*

B. P. GOPALAKRISHNA,
577 *Controller.*

OFFICE OF THE SUB-DIVISION OFFICER AND *EX-OFFICIO* PROJECT EXECUTIVE OFFICER, N.E.S. BLOCK, MULBAGAL.

Notification dated 20th December 1956.

Last date.—8th January 1957. Earnest money.—Rs. 225.

Tender Notification for the construction of quarters for the Village Level Workers at the Circle Headquarters.

No. N.E.S. A1. H.C. 55—56-57. It is hereby notified for the information of the public that sealed tenders from the intending contractors will be received at the office of the *Ex-officio* Project Executive Officer, N.E.S. Block, Mulbagal, up to 3 P.M. on 8th January 1957 for the construction of quarters for the Village Level Workers in the undermentioned circle headquarter villages :—

		Amount of estimate	Earnest deposit
1	Kasaba (Mulbagal)	Rs. 4,500 each	Rs. 225 for each quarter.
2	Padmag hatta		
3	Byrakur		
4	Nangli		
5	Uthanur		
6	Gollahalli		
7	Malanayakanahalli		
8	Avani		
9	Tayalur		
10	Balla		

1. An earnest money of Rs. 225 (Rupees two hundred and twenty-five only) has to be credited to the Taluk Treasury under 'Revenue Deposits' and the relative chellan attached to the tender.

2. Rates should be noted both in figures and words, failing which the tender will be rejected. For all non-tendered items of works approved schedule rates of this district will be paid and for non-tendered and non-scheduled items of works, rates approved on the basis of the data will be paid.

3. A monthly progress of not less than Rs. 1,500 will have to be given and the work will have to be completed in all respects to the full satisfaction of the departmental officers and handed over to the *Ex-officio* Project Executive Officer by the end of March 1957.

4. Acceptance of tenders rests with the *Ex-officio* Project Executive Officer, N.E.S. Block, Mulbagal, who does not bind himself to accept or reject the lowest tender or any other tender or all tenders or to assign any reasons whatsoever thereof.

5. The tenders should be superscribed as "Tender for the construction of quarters for the Village Level Worker of Circle" (Mention the name of circle).

6. The earnest money of the unsuccessful tenderers will be refunded on their application for the same after the acceptance of the tender by the *Ex-officio* Project Executive Officer or within one month from the date of acceptance of the tender.

7. The tenders should be submitted in sealed covers addressed to the *Ex-officio* Project Executive Officer, N.E.S. Block, Mulbagal, and delivered to the Block Development Officer or *Ex-officio* Project Executive Officer either in person or by Registered Post.

8. In the event of the approved tenderer failing to complete the work within the prescribed time, the contract will be liable to be cancelled and the earnest money will be forfeited.

9. Plans and estimates of the work will be available in the N.E.S. Office, Mulbagal, for information on all working days between 10-30 A.M. and 5-30 P.M.

10. The name of the successful tenderer will be intimated immediately after the acceptance of the tender by the *Ex-officio* Project Executive Officer.

11. The successful contractor shall bind himself to the departmental rules in force and shall execute the necessary Mutchalika within a week from the date of receipt of information of acceptance of his tender failing which his earnest money will be forfeited.

12. Tenders without Treasury Chellans for having credited the earnest money will be rejected.

13. Tenders received after the due date will be rejected.

14. No conditional clauses will be accepted.

15. The decision of the *Ex-officio* Project Executive Officer shall be final regarding the disposal of the tender.

16. Violation of any of the above conditions will entail forfeiture of earnest money as well as the work turned out by the contractor at any time.

K. LAKSHMANA RAO,
S.D.O. and Ex-officio *Project Executive Officer.*

570

OFFICE OF THE SUB-DIVISION OFFICER AND *EX-OFFICIO* PROJECT EXECUTIVE OFFICER, NATIONAL EXTENSION SERVICE COMMUNITY DEVELOPMENT BLOCK, GUNDLUPET.

Notification dated 21st December 1956.

No. P3. P.R. 50—56-57. Sealed tenders duly signed by the contractors will be received for the work noted below in the Office of the Project Executive Officer and Revenue Sub-Division Officer, Nanjangud, up to 4 P.M. on 10th January 1957:—

Sl. No.	Name of work	Amount of estimate	Earnest deposit
		Rs.	Rs.
1.	Construction of Artificial Insemination centre building at Gundlupet.	3,150	160

1 Each tender must be accompanied by a duplicate Treasury Challan for having credited the earnest money under "Revenue Deposits". Tenders not accompanied by Treasury Challan will be rejected. The contractor should quote rates for each individual item of work in the estimate.

2 No cheques will be accepted.

3 The successful contractor shall bind himself to abide by the Departmental rules in force and shall execute the necessary *mutchalika* within a week from the date of receipt of information of acceptance of his tender, failing which, his earnest money will be forfeited.

4 The final acceptance of the tender rests with the competent authority who does not bind himself to accept the lowest or any other tender or to assign any reason whatsoever for the rejection of any.

5 No conditional clause will be accepted.

6 The rates to be quoted should be inclusive of sales-tax, octroi tax and any other tax prevailing in the area.

7 The contractor must make his own arrangements for conveying materials.

8 The plan, estimate and other particulars relating to the work will be available in the Office of the Project Executive Officer, C.D. Block, Gundlupet, between 11 A.M. and 5 P.M. on all working days.

9 For lumpsum provision and for items not provided in the estimate, the rates will be paid as per current schedule of rates. For items of works not found in the schedule of rates, the rates as per approved data will be paid.

10 The earnest money deposit of the unsuccessful tenderer is refundable at the time of final settlement of his claims.

11 The rates quoted shall hold good till the completion of the work.

12 The tenders received without the clearance certificates of Sales-Tax and Income-Tax are liable to be rejected.

13 Tendered contractors have to pay compensation to the disabled workmen working under them for any injury or death caused or occurred during the execution of the work, failing which, the amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

14 The contractor will have to make his own arrangements for water required for the works, scaffolding materials, conveying of materials, approach road to quarters. No extra amount will be paid for any of the above items.

15 If the work is not completed and handed over within the specified time a fine of Rs. 50 will be levied for every fortnight's delay.

16 The tender should be submitted in duplicate. In case of difference the lowest of the rates quoted in any of them will be adopted.

B. C. CHANNARAJ URS,
S.D.O. and Ex-officio *Project Executive Officer.*

The Firms dealing in Pressure Filters.

Enquiry No. 15436.

Sub.:—Supply of Pressure Filters for Pandavapura Water Works.

Gentlemen,

No. S.P.C. 66576-66605. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the schedule noted below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the conditions following the last enquiry.

The quotations should be sent in duplicate in sealed covers duly superscribed "**Quotations for the supply of Pressure Filters for Pandavapura Water Works**" with the above enquiry number.

This enquiry will be closed on the 13th January 1957.

SCHEDULE.

Specification for Pressure Filters for Pandavapura Water Works:—

1. Capacity—3,600 gallons per hour.
2. Operating head—150 ft.
3. Shell working head is 200 ft. It shall withstand a test pressure of 400 ft. head of water. The usual manhole, hand hole and plug hole shall be provided for at the approximate places. The inside of the shell shall be painted with a coat of approved quality of anticorrosive non-poisonous bituminous paint. The outside shall be painted with grey enamel paint.
4. External piping system.—This shall be of the flanged cast iron pipes and specials for the required head.
5. (a) Strainer system.—This shall be capable of withstanding the action of chlorinated water with a residual chlorine of 0·5 p.p.m.
   (b) Internal Piping.—These shall be non-ferrous material to avoid corrosion and incrustation.
6. Accessories.—The filter shall be complete with sight glass, wash indicator, pressure gauge, coagulant feed device and one set of spanners to suit all bolts and nuts. Two filter media shall be supplied.
7. Spares to be supplied with each filter:—

   (1) Strainers—One set, (2) Sight glass—One set, (3) Sampling cocks with pipes—One set, (4) Needle valve for control of alum dosage with graduated dial and pointer-One set, (5) In case of sectional wash system section valves—One set.

   NUMBER REQUIRED—2 Nos.

   (6) Washing Device.—R.C.C. Tank of 50,000 gallons capacity is constructed at a distance of 15,000, from the pumping station. The rising main is of 6" dia. C.I. Pipes. The static head is 100 ft. It is proposed to wash the filters by tapping the raising main by providing suitable pressure reducing valve. The tenderer shall quote for necessary reducing valves and accessories.
